7th Grade Course Selections

All course descriptions can be referenced in the *Course Selection Guide*.

REQUIRED COURSES - Each course meets daily. <i>Students will automatically be registered for general sections of the four core academic subjects. Students who qualify for enriched/accelerated sections of any of these core courses will be scheduled at a later date using end-of-the-year data.</i>			
English Language Arts	Social Studies	Mathematics	Science
PHYSICAL EDUCATION COURSE - required for all students and meets every other day			
HEALTH COURSE: <i>Health is recommended in 7th or 8th grade. We reserve the right to schedule students into Health as space is available, but will do our best to meet your preference. Please mark your preference below.</i>			
I prefer to take Health in:	_____ 7th Grade _____ 8th Grade		

From the elective courses below, students should rank their top 8 elective courses, with 1 being their first choice and so on. Students should also rank all departments (1-8) by preference, with 1 being their first choice.

NOTE: World Language courses meet daily. All other elective courses meet every other day.
