Riverview 4K – 4400 Michigan Avenue
YMCA 4K – 205 Maritime Drive

Section 4 [Head Start]:

Head Start is a comprehensive child and family development program. With priority for families who are at or below income limits, Head Start has partnered with the MPSD to offer their services along with the 4K program. It is designed to assist and influence the entire family's search for growth and development. This is a federally and state-funded program that is entirely free to the families that qualify.

Is your family interested in participating in or learning more about the 4K Head Start program?
