

Meals available to students

While the Manitowoc Public School District is closed, we remain dedicated to providing free lunch to all students. No forms or registration is required. Parents/guardians can pick up the meals without their children present.

This bag lunch program is a meal pickup and we encourage families to practice social distancing and

not congregate at the meal pickup locations.

Lunches will be provided Monday through Friday from 11:30am – 1:00pm at the following sites:

- Franklin Elementary School – 800 South 35th Street
- Jefferson Elementary School – 1415 Division Street
- Madison Elementary School – 701 N 4th Street
- Monroe Elementary School – 2502 S 14th Street
- Stangel School – 1002 E Cedar Ave

Please rest assured the Chartwells Foodservice staff will continue to take all necessary precautions as they prepare and serve the meals.
